FOR IMMEDIATE RELEASE

Nightly Closures for I-5 Western Avenue Ramps in Glendale

Glendale — The California Department of Transportation (Caltrans) will close the northbound Golden State Freeway (I-5) on- and off-ramps for Western Avenue nightly from March 25 through April 20 while crews construct retaining walls. Closures will occur nightly from 9 p.m. to 6 a.m. Caltrans will provide signed detours.

About the Project

This project involves the realignment of the I-5/Western Avenue interchange in Glendale to just south of Winchester Avenue. The realigned ramps will begin and end at a signalized intersection with Flower Street. The project will provide congestion relief for current and future local and regional traffic.

Work began in November 2010 and is on track to wrap up in the summer of 2014. Caltrans thanks motorists for their patience and understanding during construction.
